

CERIC-ERIC and its Calls

CERIC-ERIC invites you to take part in the **Info Day** dedicated to the opportunities offered by this unique Central European Research Infrastructure.

Jana Kolar, Executive Director of CERIC, will be hosted by the National Institute of Chemistry to present the currently opened and the upcoming CERIC Calls.

Researchers, technicians and managers will have the chance to know how to take advantage of the opportunities available and to make questions on how to present successful proposals.

Call for CERIC Research Grants now open
